

DMMS ISO 3107:2022 သွားဘက်ဆိုင်ရာလုပ်ငန်း-ဇင့်အောက် ဆိုဒ် - eugenol zinc oxide cements

DMMS ISO 3107:2022 Dentistry — Zinc oxide-eugenol cements and non-eugenol zinc oxide cements

Scope

This document specifies requirements for zinc oxide-eugenol cements suitable for use in restorative dentistry for temporary cementation, for bases and as temporary restorations. This document also specifies requirements for non-eugenol zinc oxide cements containing zinc oxide and oil(s) other than eugenol for temporary cementation.
